**CoolDry**  
INSULATED  
SADDLES

**INTRODUCING**  
**New CoolDry™**  
**Insulated Saddles**

Today's Engineer's Choice for Chilled Water, Cold Water,  
Refrigeration & Ammonia Refrigeration Piping Systems

### **CoolDry™ Insulated Saddles**

For chilled water, cold water  
and refrigeration piping.

### **CoolDry™ Insulated Plated Saddles**

For chilled water and cold  
piping resting on roller, trapeze or  
strut supports.

### **CoolDry™ Insulated Sliding Saddles**

For dynamic chilled water  
and refrigeration piping  
systems where pipe movement  
is a concern.

### **Wraparoo Clevis Hanger Covers**

Ideal for food, medical and  
clean room areas protecting the  
hanger esthetically.
