

# STICK EM UP!

**NO EXTRA  
COST!**

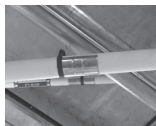

**Roundup Plus Saddles**, the first saddles to feature round safety corners, a partial bottom rib, flared edges, and now a new SSL Safety Strip that secures the Saddle to the jacket.

**PATENT  
PENDING**

**New SSL Tape  
with easy finger  
lift edges!**

Great stick to  
virtually any jacket

Typical Saddle  
Installation without  
Self Seal Tape

- No extra cost versus our regular Roundup Saddle.
- Low risk of the Saddle slipping from the hanger injuring people.
- Low risk of job site callbacks to reposition the Saddle.
- Ultra aggressive acrylic SSL Tape bonds securely to the jacket.
- Partial bottom rib adds extra security keeping the Saddle centered.
- Flared outside edges protect against damaging the vapor barrier.
- Patented Round corners make warehouse and job site handling safe.

STEEL IS

**When we promise safety, we make it stick!**
